Individual dessert of the day

\$4

TO OUR CUSTOMERS:

Bambino's makes most toppings in house using supplies from small local farmers and providers. Because of their fresh nature some items are subject to availability. We thank you for your understanding and support

HOUSE COMBINATIONS

Because we bake our pizza in a brick oven, directly on the super-hot stone, our crust is crisp and darker than the typical American pizza. If dark crust is not to your liking, please specify "light crust".

Our pizzas are made with 100% whole milk fresh mozzarella if you prefer a lower moisture mozzarella ask for either a smoked mozzarella or scarmorza (air-dried mozzarella).
